

Delegate ACM Report: June 20, 2024

Good evening Area 8,

Wishing all is going well, it is great to see all of you tonight.

From our last ACM we had our Post Conference Assembly on May 18th, it was such a busy assembly but we got lots done that day. Thank you to those that have reached out to me with either invites to visit some Districts or to schedule a visit to you Districts and share on my experience at the Conference and/or answer some questions. I am more than happy to attend those invites.

Group Anniversary: On May 19th, Grupo de Las Tinieblas a la Luz (Spanish speaking group in Escondido) did invite me to share at their Group's Anniversary meeting on What AA is About. Great attendance and had a newcomer there for the first time to find out more about Alcoholics Anonymous.

On Sunday May 26th, I attended a Hispanic Congreso (Conference) hosted by District 17 over in Holtville, CA/Imperial County, it was nice to see our members down there gathered, sharing their experience, strength and hope for our three legacies of Recovery, Unity and Service. My sharing was at the closing of the Conference with what my role is as a Delegate in our Area.

4 Area DCM Sharing Session- What an amazing day it was, wonderful speakers, great round table discussions, good food and fellowship. It was nice to see all four areas present and participating. Good job and thank you to our area liaisons and organizing committee for their hard work put into making the sharing session happen.

Pacific Region Delegates Meeting: We had our monthly meeting on Thursday, June 6th to share on our report backs to our areas, discuss and finalize the program for the Regional Forum (we should have a program in the next week or so) and also hear from our Pacific Regional Trustee with her updates with the Forum. As of now the Forum will open up on Friday, July 12th at 3pm for registration (its free), opening meeting from 6pm until 9:30pm. Saturday, July 13th from 9am until 9:30pm and Sunday, July 14th from 9am until 12pm. Lots of great presentations, sharing's, workshop topics and a skit. Let me know if you need any additional information, as soon as I receive the program in English and Spanish I will distribute to our ACM list.

District 15 Visit: Thank you for the invite, I had a great time during the meeting in sharing about my conference experience, answering questions and concerns along with providing some explanations to some agenda items of their concerns. I have been asked to return at a later date after they have a sharing session reviewing the final conference results packet (prepared by your delegate) that was one of the packets distributed at the post conference assembly.

Unity Day Picnic/Founders Day: I had an amazing time at the picnic, I did have an early commitment that morning but was able to make it for the speakers portion of the day, great sharing's, lots of Unity and lots of fun. I was able to play some volleyball games. Thank you, Adrian, for the hard work in putting this picnic together with the Program Committee.

Thank you to all our Standing Committees that were able to set up around the park with their informational booths, what an awesome service you all did!

Emails Sent by Your Delegate:

- **PAI Workshop (Proposed Agenda Item Workshop):** The Pacific Region Delegates along with our Pacific Regional Trustee Reilly decide to host a PAI workshop as a region in the benefit to follow the procedure on creating an agenda item, submission of that item and understanding the process a proposed agenda item goes through. The flyer is on the website with the login information for the workshop on August 1, 2024, online (zoom) capacity will be for one thousand attendees, feel free to invite anyone interested in your group, meetings, committees, districts and throughout our Area. Below are the links for submitting a PAI..

English: [Proposed Agenda Item \(PAI\) Submission Form for the General Service Conference \(GSC\) \(smartsheet.com\)](#)

Spanish: [Formulario para remisión de puntos de agenda propuestos Conferencia de Servicios Generales \(CSG\) \(smartsheet.com\)](#)

- **2025 International Convention:** Everything is going well in regards to the international Convention planning. We did receive a survey from the IC/RF desk asking for as much feedback possible from our entire fellowship, hopefully that survey was distributed to anyone interested and if it didn't get distributed, feel free to do so. If you didn't receive it, let me know and I will get it to you, it only takes a few minutes to answer about six or seven questions.
